KD  
7-23-02

Responsive to the Official Action March 6, 2002, please amend the above-identified application as follows:

CLAIMS:

Please cancel claims 23 and 34-41.

Please replace claims 1-9 with the following amended claims:

- 
1. (As Amended) A digital camera comprising:
- a memory which is separatable from said camera;
  - a picture capturing unit for capturing picture information corresponding to an image and for storing said picture information in said memory;
  - a control information processor for storing in said memory a processing method for indicating how said picture information is to be processed so that said image has one of a plurality of selectable appearances, said processing method user selected after said picture information is captured, said processing method remaining in said memory after said memory is
